COVERT ONLINE INVESTIGATIONS

This Covert Online Investigations course is designed to teach law enforcement personnel how to start from the ground up in conducting covert online investigations. Students will be shown how to legally begin building a covert identity online using numerous online resources. Once the covert accounts are created the student will be taught how to engage with individuals on numerous different online platforms. The investigative techniques taught in this class apply to Detectives, Narcotics, Vice, Internal Affairs, Fugitive Units, Crime Analysts, etc.

SOCIAL MEDIA & OPEN SOURCE INVESTIGATIONS

This two-day Social Media & Open Source Investigations course is designed to teach Law Enforcement Personnel how to legally utilize and exploit Open Source and Social Media intelligence in their respective roles. Students will be shown relevant and current case studies to reinforce some of the unconventional investigative techniques taught in the course. Students will learn the most current case law that allows them to use these techniques in their investigations. The investigative techniques taught in this class apply to Patrol Officers, Detectives, SRO's, Dispatchers, Crime Analysts, etc.

Students will be given a FREE list of investigative resources in the class and shown numerous free databases/resources during the class.

COST:
Covert Online Investigations (April 11-12) $325
Social Media & Open Source Investigations (April 13-14) $325

Attend both courses for $525

INSTRUCTOR: We only use active law enforcement, who are currently using these techniques in their daily roles as our instructors. By doing this, it keeps the material up to date and immediately applicable for the students. The instructors can use their own active cases to reinforce the techniques taught in the class. You can read all our instructor biographies on our website or Instagram site.
