Law Enforcement demands professionalism!

Careful examination of past behavior of applicants can reveal a pattern of undesirable behavior existed prior to applying as a law enforcement officer or public safety employee.

Reduce your vicarious liability!

As a background investigator and as an agency there is the liability of negligent hiring. Prevent and reduce liability by conducting documented and thorough pre-employment background investigations.

Discover behavior that may have been unknown to the hiring agency due to inadequate or non-existent applicant screening.

The integrity and ethical reputation of an agency mandates a thorough background investigation.

This course offers a systematic approach to background investigations and will assist your agency in making informed decisions.
