**KING COUNTY SHERIFF'S OFFICE
THE SIX LAYER CONCEPT: 2-DAY BASIC COURSE
FEBRUARY 27-28, 2023**

This 2-day basic course is the keystone for the Six Layer Concept behavior pattern recognition program. The students begin with an introduction into human terrain mapping and behavior pattern recognition. After a comprehensive understanding of human physiology and psychology as it relates to HTMBPR, the students learn about such concepts as; advanced critical thinking, the decision-making algorithm, biases, and the six layers of human behavior.

Contained within the curriculum are group exercises, quiz backs, video-based practical applications, and a written test. This course comes with a online pre-course introduction module, in-person instruction, a student book, and upon successful completion of the course a graduation certificate.

The training venue, **King County AFIS Building**, is located at **900 Oakdale Avenue SW, Room 171B, Renton, WA 98057**. Students should arrive at **0800** in order to sign in. The course will run from **0800 - 1700** on both days with a one-hour lunch break each day.

\$325/STUDENT - SCAN THE QR CODE TO REGISTER

When registering for your class please use a personal email, we find that sometimes agency or department firewalls block registration notifications. You have the ability to opt in or out of email notifications from SLC Squared.

For registration use the QR Code to the right if using credit card to pay or go to <https://www.slcsquared.io/learn/basic-course-february-27-2023>.

If you are a part of a bulk registration or your agency is absorbing the cost of your training, have your training coordinator contact info@slcsquared.com.
