

**“LEAKING THE TRUTH”**  
*Micro Expressions,  
Behavioral & Statement Analysis*  
**Spokane County Sheriff**

**Newman Lake, WA**

**August 9, 2021**

This one day session on **Micro Expressions, Behavioral and Statement Analysis** will train you to recognize the scientifically proven **“LEAKAGE OF TRUTH”** and **“DECEPTIVE BEHAVIOR”**. *You will begin to truly understand that it is impossible to lie.* You will develop an advantage in both your professional and your personal life. Human behavior and language is in our DNA. This training will help you tap into the intriguing world of deception. You will be able to identify if someone is being deceptive based upon their subtle body language, *micro expressions*, and the verbiage they choose. This is fascinating as they are not even aware that they are giving clues and leaking the truth.

**Bruce Jacobs** is a 30-year retired veteran of the Manitowoc Police Department. His career includes: 18 years as an SRO, 25 years as a DARE Officer, eight years on the State of Wisconsin DARE Officers Association Board and nine years as the Crime Prevention Sergeant. Bruce has a Bachelor’s Degree in Administration of Justice and has specific training and certifications in many fields including: Micro Expressions, Behavioral and Statement Analysis, CPTED, Security Surveys, Workplace Violence, and Scams.
