

Sergeant's Investigation of Force

Trainer: Tom Ovens, Police Training Solutions

Course Material:

It is crucial that Sergeants understand the current standards for using force, documenting force and critically analyzing force. They also must investigate force incidents. A quality investigation by the sergeant will ensure that officers are following law, policy and their training putting their officers in the best place to explain their actions.

Course Highlights:

- Incident Screening
- Use of Force Reporting
- Investigation of Force
- Critical Analysis of Force
- Coaching and Counseling
