

Missing/Unidentified Person Investigation Training

This training will cover the process for requesting a missing person alert that includes AMBER Alert and the other various alert types.

We will also go over the WSP Missing and Unidentified Persons Unit and how they can help your investigations.

Training is intended for or anyone involved in missing or unidentified person investigations within a law enforcement agency or coroner office i.e. officers, detectives, dispatch and administrative/records personnel.

<i>Date</i>	<i>Time</i>	<i>Location</i>
November 6, 2019	0900-1030	Richland Police Department 871 George Washington Way Richland, WA
