

The City of Westport, Washington seeks a visionary, values-based leader to serve as its next Police Chief.

Under the direction of the City Administrator, the Westport Police Chief is responsible for the overall management of the police department in all areas of law enforcement and public safety. This position directly supervises a police force of six officers and one clerk. The Police Chief is responsible for achieving goals and objectives for the police department which are established jointly with the Mayor, City Council, and City Administrator.

The Westport Police Department responds to approximately 4,200 calls for service each year. The 2024 department budget is \$1.2 million. The ideal candidate is solidly experienced in all law enforcement and public safety areas and has a proven history of fostering community and department trust.

This position requires a minimum of ten years supervisory law enforcement experience. At least two years of experience at the rank of Sergeant or higher is preferred. The Police Chief position requires current certification, or the ability to obtain certification, as a police officer through the Washington State Criminal Justice Training Commission.

The salary range is \$100,000 to \$120,000, DOE. The City of Westport offers a comprehensive benefits program including a take home vehicle, medical, dental and vision coverage, vacation, sick, and bereavement leave, 13 paid holidays, LEOFF retirement, additional Teamsters pension, and retirement medical.
